

## Things that are Wrong

The following is a list of things the Church of Reality considers to be wrong. Order doesn't mean anything. The list doesn't indicate the degree that it's wrong. Nor does it imply that they are equally wrong or always wrong. It shows the Theist world that we Atheists have a concept of right and wrong as well.

- Murder
- Rape
- Stealing
- Genocide
- Human and Animal Sacrifice
- Canibalism
- Torture
- Cruelty
- Bigotry and Racism
- Intolerance
- Self Righteousness
- Slavery
- Starting Wars
- Sex with Children
- Religious Genital Mutilation
- Religious Deception
- Deceitfulness
- Dishonesty
- Cheating
- Greed
- Selfishness
- Drug Addiction
- Blind Faith
- Abduction
- Terrorism
- Polluting the Environment
- Driving Slow in the Fast Lanes

Obviously not all these "sins" are equal. Smoking cigarettes isn't as bad as human sacrifice but you still don't want to start smoking and you want to quit if you can. The issues surrounding right and wrong are important and that's why we ask the {In:Sacred Moral Question} so that we can be as sure as possible that we are doing the right things.
