

## Worshipping a False Truth

When someone puts {In:Faith} or a deity before the {In:Sacred Truth} we call that worshipping a false truth. A False Truth is the belief in something that isn't true or isn't real. It's when you have turned your back on reality and chosen a {In:Golden Calf} instead. It when you have rejected {In:Scrutiny} and accepted {In:Bullshit}.

In the Church of Reality we {In:Accept the Truth} by putting {In:Reality First}. We believe that the {In:Sacred Truth} is purified through {In:Scrutiny} and that anything that doesn't stand up to {In:Doubt} is considered not true. Realists do not worship false truths.
